

Dear Guests!

Our company has been working on the transport market since 1995. We provide services in the transport of goods and people.

We have a fleet of specially adapted for the transport of hanging garments. In our company there are also complex services in the organization of removals. Upon request we provide any customer service related to the wearing, assembly, dismantling and packing of furniture. We also offer services associated with carrying and transport of pianos, grand pianos, safes, bulky furniture.

We are flexible, while the customer is most important to us!

We have insurance policies.

At your disposal are 7 days a week, 24 hours a day.

Our company provides services in the city of Szczecin, in Poland and in international transport.

You are welcome to use our services.
